INVITATION

**WORLD TRADITIONAL KARATE-DO
CHAMPIONSHIP 2024**

**WORLD TRADITIONAL KARATE-DO
CHILDREN'S CUP 2024**

Dear members of WTKU,

It is my greatest honor to invite you to the WTKU World Traditional Karate-do Championships and the WTKU World Traditional Karate-do Children's Cup that will take place in Cambrils, Spain from October 24-27, 2024.

These events are unique by its nature because they represent the good cooperation between founding members of the World Traditional Karate-do Union (WTKU) and I am very pleased to have the opportunity to invite you as the President of such an organization.

Long-time friendships are something that guarantees that these events will be successful because this is more than just Championships. At the same time, it nurtures the Budo spirit of Martial Arts, teaching our Judges, Coaches and Competitors the importance of ethical and moral principles, and behavior to one another. This is what makes us a big karate family, respect and love towards each other, doesn't matter which nationality they are.

I am sure that many of you know and understand the importance of these WTKU events, and that's why your involvement will be essential in making the WTKU World Traditional Karate-do Championships and WTKU World Traditional Karate-do Children's Cup an exceptional and successful event!

To all the future Champions I congratulate, to all Judges, I wish an honest and fair judging.

Looking forward to seeing you in Spain!

Best regards,

Univ. Prof. Ilija Jorga M.D. Ph.D.
President of WTKU

TRANSFER TO CAMBRILS FROM BARCELONA AIPORT

Cambrils is a port city in the Tarragona region of Catalonia. It is located about 20 kilometers south of Tarragona. A direct bus service from the Barcelona airport to the center of Cambrils makes it easy to get there.

There are no direct trains from Barcelona airport to Cambrils. Therefore, you will need to take a train to the center of Barcelona to go to the south of Catalonia.

Take the train to Barcelona Airport - R2 Nord to Estació Sants (Barcelona Sants). At Estació Sants, you must change trains. There are many trains from Estació Sants to Cambrils - some are regional and some are national. The trains vary in travel time, but generally the trip takes about 1 hour 15 minutes - 1 hour 30 minutes. There is usually one train every hour.

If you arrive at Terminal 1 (T1), you will not be able to walk directly to the train station, as it is 4 km away. You will have to use a shuttle bus from in front of the terminal.

For more information on train times and prices, visit the RENFE website:
<https://horarios.renfe.com/HIRRenfeWeb/buscar.do?O=BARCE&D=65409&ID=i&SF=3>

If you check the RENFE website, you will notice that there are quite large differences in ticket prices. Please look for regional trains (e.g., Regional Express and Catalunya Express) rather than international trains (e.g., Talgo and Mare Nostrum), as they will turn out to be cheaper.
